

Reusable Sharps Containers 10 & 17 Gallon

Designed for the efficient collection, transportation and storage of large and small medical sharps, Rehrig Healthcare's 10 and 17 gallon containers are FDA 510(k) cleared as Class II Medical Devices, as well as OSHA compliant.

Features and Benefits:

- Puncture resistant to prevent needle sticks
- Interchangeable stacking and nesting for efficient transport
- Semi-transparent sub-lid for monitoring waste safely to fill line
- Multiple lid openings for restricted or unrestricted access for use
- Anti-microbial additives inhibit the growth of bacteria
- Smooth interiors for ease of cleaning
- Reinforced handles for safe carrying
- Foot pedal operated and wheeled dollies available
- Unique bar code for management and cycle tracking
- Securely locks for transport in rack
- FDA 510(k) Cleared for 300 cycles
- Meets or exceeds US and international standards for Sharps containers
- Handling, decanting and wash systems available

A FAMILY TRADITION OF GROWTH, SERVICE AND INNOVATION

Reusable Sharps Containers Models SS & TS

Designed for efficient collection, transportation and storage of used medical sharps where sharps disposal is needed including hospitals, clinics, physician and dental offices, laboratories, and veterinary offices. Models SS and TS are FDA 510(k) cleared as Class II Medical Devices, as well as OSHA compliant.

Features and Benefits:

- Puncture resistant to prevent needle sticks
- Polycarbonate construction with semi-transparent body for viewing fill levels
- Minimal moving parts for ease of use
- Universal horizontal, vertical and wide mouth inserts
- Horizontal drop prevents reaching into the container and accessing sharps
- Inserts require discrete key for removal
- Secure key-lock wall mount or counter mount available
- Integrated handle in lid for ease of carrying
- Unique bar code for management and cycle tracking
- Securely locks for safe transport in rack
- FDA 510(k) cleared for 600 cycles
- Meets or exceeds US and international standards for Sharps containers
- Handling, decanting and wash systems available
