

MLBT-6 Multi-Level Bun Tray

Features & Benefits

- Unique stepped design provides slots for fully nested, low stack and high stack positions
- Visual indicators to aid manual stacking
- Reinforced bottom grid and corners
- Handles on the long walls for easy handling
- Smooth interior surfaces protect packaging
- Drop front panel for better merchandising
- View product from all four sides
- Ventilated on all sides for quick chilling
- Material: FDA approved food grade polyethylene provides strength and durability needed for multiple applications

Options

- Colors: Choice of standard or optional non-heavy metal (NHM) or FDA approved colors
- Decoration: Hot-stamp branded or molded-in logos
- Tracking: Bar code labels or RFID tags available to integrate with Rehrig technology offering
