

Lidded Field Crate

Features & Benefits

- Durable field crate with impact resistant HDPE resin
- Smooth interior protects fragile produce
- Eliminates wire-bound wood injuries
- Detachable lid neatly nests for efficient storage
- Ergonomic handles
- Lid hinge action maximizes pack-out and icing capabilities
- Stacks easily and quickly
- Excellent ventilation for cooling and processing
- Material: FDA approved food grade HDPE provides the strength and durability needed for multiple applications
- Color: Available in FDA approved non-heavy metal (NHM) colors. Metal detectable colors are available for compatibility with metal part detection systems
- Decoration: Multiple customer specific decoration combinations possible with hot stamp locations on the lid and long wall
- Tracking: Bar code labels or RFID tags
