

Rehrig 6317 Egg RPC

Features & Benefits

- Reusable container provides maximum protection to reduce product shrink, reduces total packaging costs and eliminates disposal costs associated with one-way containers
- Retail ready display allows easy access to product and provides attractive display to merchandise eggs
- Innovative drop-sidewall design simplifies replenishment, reducing store labor
- Ergonomically designed handle reduces strain and maximizes comfort
- Folding design reduces storage capacity for empty containers
- Strong, durable latches designed for stable handling during transportation
- Enhanced ventilation improves cooling time, resulting in a fresher and safer egg
- Container accommodates foam and pulp cartons providing complete flexibility for packaging needs
- Material: FDA approved food grade polypropylene provides the strength and durability needed for multiple applications
- Color: Available in standard black or other FDA approved non-heavy metal (NHM) colors. Metal detectable colors are available for compatibility with metal part detection systems
- Decoration: Multiple customer specific decoration combinations possible with hot stamp locations on the base
- Tracking: Optional barcode and RFID tag locations on the short wall to integrate with Rehrig technology offering to Track & Trace for FSMA requirements

Specifications	MM/KG	IN/LB
